

What's New at AIU?

Volume I, Issue VI

NEW! Study "Tracks" at AIU London!

Beginning in 2007, AIU London will begin offering students the opportunity to choose specific tracks of study. Students will take 2 or 3 courses of study during the Fall, Winter or Spring terms. They are also given the option of adding a part-time internship to any track to broaden their study experience. The following tracks* are available:

Museum Studies
International Business
Advertising & Public Relations
Video & TV Production
Directing & Editing

Fine Arts Photography
Commercial Photography
Painting & Drawing
Graphic Design

New Program Guide Available!

*Tracks of study subject to change.

2007 Special Destinations

In 2007, AIU London faculty and staff will teach special programs in the destinations shown below. Each program capitalizes on the business practices, culture and resources that are available and unique to the destination city.

June 3-July 7, 2007

Fashion Marketing in Paris

July 8-August 11, 2007

Fashion Marketing in Paris

Interior Design in Florence

Fashion Design in Florence

NEW! Academic Cooperation Program (ACP)

Through a formal cooperative arrangement with AIU, faculty from US-based institutions can offer their students a study abroad program in London, minus the stress associated with independent program coordination. AIU can provide turn-key solutions in the areas of logistical support, student services, classroom facilities, housing accommodations, and a selection of course offerings that complement your institution's existing academic programs and focus. At AIU London, your students are integrated with other visiting and degree-seeking students from around the world for a truly multicultural experience.

Based upon the unique needs of your study abroad program, your AIU Campus Relations Advisor will provide a formal proposal and agreement for review and consideration.

Consider the following:

- Program timing and length
- Number of participants
- Support services needed from AIU
- Faculty members needed from your institution
- AIU courses that can enhance and augment your study abroad program

Merit Scholarship opportunities are now available for 5-week terms!
